KATIE Couric (above) likes to keep her private life private, so she declined to pose for photos the other night at Greenhouse with young beau **Brooks Perlin**. "She emphatically said no and kept her distance from him until the photographers left," said our spy. Couric, her daughter **Ellie**, and **Christy Scott Cashman** hosted students from Mother Cabrini School at a rally for **High Voltage's** Energy Up! campaign, which fights teenage obesity. Also there nibbling healthy snacks from SoHo eatery Via dei Mille was **Tommy Hilfiger's** daughter **Ally**, who was skipping the premiere of "NYC Prep," similar to her 2003 reality show, "Rich Girls."
